**Prologue:** Ms. Barbara Burrows and Archdeacon Peter Zimmer presented the report. Due to budget reductions for 2006, there will be no further meetings of this committee; however, the coordination of work needs to continue. It was noted that the Terms of Reference for the Mission Coordination Group and the Planning and Agenda Team overlap in significant ways and that continuation of the work would be possible through the Planning and Agenda Team. The committee has sent a message to Dr. Ellie Johnson, asking that minutes of committees, councils and boards be circulated electronically to all chairs and all principal staff.

Motion to Refer

Moved by: Mr. Peter Irish

Seconded by: Mr. Peter Zimmer

That the motion be referred to the Governance Working Group.

DEFEATED

## Report of the General Synod Planning Committee #026-03-05-11 : Theme for General Synod 2007 #026-04-05-11

<http://archives.anglican.ca/en/permalink/official9133>

**Date:** 2005 November 17-20

**Source:** Council of General Synod Minutes

**Record Type:** Resolution 19-11-05

**Mover:** Dean Peter Wall

**Seconder:** Ms. Barbara Burrows

**Prologue:** Dean Peter Wall presented the report and spoke to the proposed theme for General Synod. He said that the committee had received replies on the proposed theme from the Standing Committees, Councils and Boards. As a result the original theme "Draw the Circle Wide" has been expanded to "Draw the Circle Wide ... Draw it Wider Still". Dean Wall said that the Planning Committee believes that the theme speaks of the inclusivity of our church -- inclusive of all people and all perspective and points of view. The open circle, envisioned in graphics, supports the idea that all is not yet revealed; that all are not yet part of our circle; and that we are opening and welcoming.

General Synod will meet from June 19-25, 2007 in Winnipeg, MB. The committee is in final negotiations with two downtown hotels, as the University of Manitoba, could no longer guarantee the required number of bedrooms.

**Text:** That the Council of General Synod approve 'Draw the Circle Wide ... Draw It Wider Still' as the theme for General Synod 2007. CARRIED #19-11-05
