Resolution 03-10-03
Mover: Archbishop Finlay
Seconder: Bishop Wallace
Prologue: Moved by: Bishop Burton

Seconded by: Bishop Bruce

"That in light of the Primates' Statement of October 16, 2003, we ask all parties involved in, or seeking, extra-territorial Episcopal oversight to stand down, and that legal proceedings against the bishop and clergy involved be stayed, for an initial period of three months to allow for the ministry of adequate alternative episcopal oversight to be put in place at the initiative of the Archbishop of Canterbury on behalf of the Primates."

Archbishop Hutchison gave notice that he and Archbishop Clarke had prepared a motion, which might be helpful for the conversation. Copies of it were distributed.

Seconded by: Archbishop Hutchison

"That in response to the 'Statement by the Primates of the Anglican Communion' (October 16, 2003) the Primate be asked to establish a task force of the House of Bishops

- to draw up terms and conditions for 'adequate provision for Episcopal oversight of dissenting minorities' in the Anglican Church of Canada,

- to consult through the Primate 'with the Archbishop of Canterbury on behalf of the Primates',

- and to report to the April 2004 meeting of the House of Bishops." (Note: see p. 24, when motion was put to a vote.)

Notes:

Archbishop Clarke requested that copies of the original version of Archbishop Hutchison's and Archbishop Finlay's motion, as well as the version which the House had carried be appended to the minutes ([Appendix] i). He also asked that the Agenda Committee give some consideration to a different model for the House of Bishops' meetings when there was an issue of particular importance to be dealt with. He commented that often when discussing an important matter, the bishops were rushed at meetings because the item was either not given adequate time on the agenda or was scheduled too late during the meeting. Bishop Morgan responded saying that the Agenda Committee would be happy to consider Archbishop Clarke's recommendation.

Bishop Wallace requested that the full motion (moved by Archbishop Hutchison and seconded by Archbishop Finlay) be faxed to the members of the House of Bishops.

Appendix i

Archbishop Clarke requested that both versions of a motion put before the House of Bishops by Archbishop Hutchison and Archbishop Finlay be appended to the minutes.

Motion as it was proposed initially:

Moved by: Archbishop Hutchison

Seconded by: Archbishop Finlay

"That this House, to enable the work of the Task Force on Episcopal Oversight for Dissenting Minorities,

1. Request that the Bishop of Yukon refrain from exercising episcopal ministry in the Diocese of New Westminster.
2. Request that the Metropolitan of British Columbia and Yukon stay disciplinary proceedings against the Bishop of Yukon.
3. Request that the Bishop of New Westminster seek a stay of disciplinary proceedings against the priests of his diocese
4. Commend the disaffected parishes to the ministry of Bishop William Hockin as Episcopal Visitor."

Motion which was put to a vote and carried:

Moved by: Archbishop Hutchison

1. Request that the Bishop of Yukon refrain from exercising Episcopal ministry in the Diocese of New Westminster;
2. Request that the Metropolitan of British Columbia and Yukon stay proceedings against the Bishop of Yukon;
3. Request that the Bishop of New Westminster seek a stay of proceedings against the priests of his diocese against whom such proceedings have been initiated;
4. Request that a mediator be appointed by the Task Force to negotiate an interim role for the person exercising Episcopal oversight mutually acceptable to the diocesan Bishop and the dissenting parishes."
